Editorial Desk:

In a Professional institute, each year is eventful. St. Ann's Institution, in its relentless endeavor to provide professional and quality education, has started numerous initiatives during the previous year which received a huge response. The input provided by the Institution has motivated the students to achieve excellence in all fields. The students have achieved great heights in academics and have exhibited their knowledge gain through honors in the university level examinations. Interactive knowledge exchange sessions and periodic visits by dignitaries from fields of education, industry, and governance have turned out to play a dominant role in the overall development of the students of the Institution. St. Ann's Rays 2014-15 shall mirror all the happenings of the last year including academics and co-curricular events. It also highlights the achievements of students and faculty members of the institution.

About us

St. Ann's Degree & P.G College for women is a Christian Minority Institution established in the year 1998; it is located at Mallapur on Hubsiguda-NFC Road on a 10-acre lush green pollution-free serene campus.

The college is run by the congregation of the Sisters of St. Ann of Providence, a name that has been associated with excellence in education for many decades. It has a number of educational institutions at different levels, imparting quality education to lakhs of students throughout India. The college provides professional education in the areas of Commerce, Computer Science at UG level & Management at PG level. St. Ann's College aims at providing an all-round integral education with special emphasis on the Gospel values of TRUTH, LOVE, & JUSTICE. Though a minority institution meant primarily for Catholics, it admits all without discrimination of caste, creed or language. It reserves for itself its inherent and constitutional rights [Art, 30{1}] with regard to the Management and Administration.
